Monthly Emergency Population Release Report

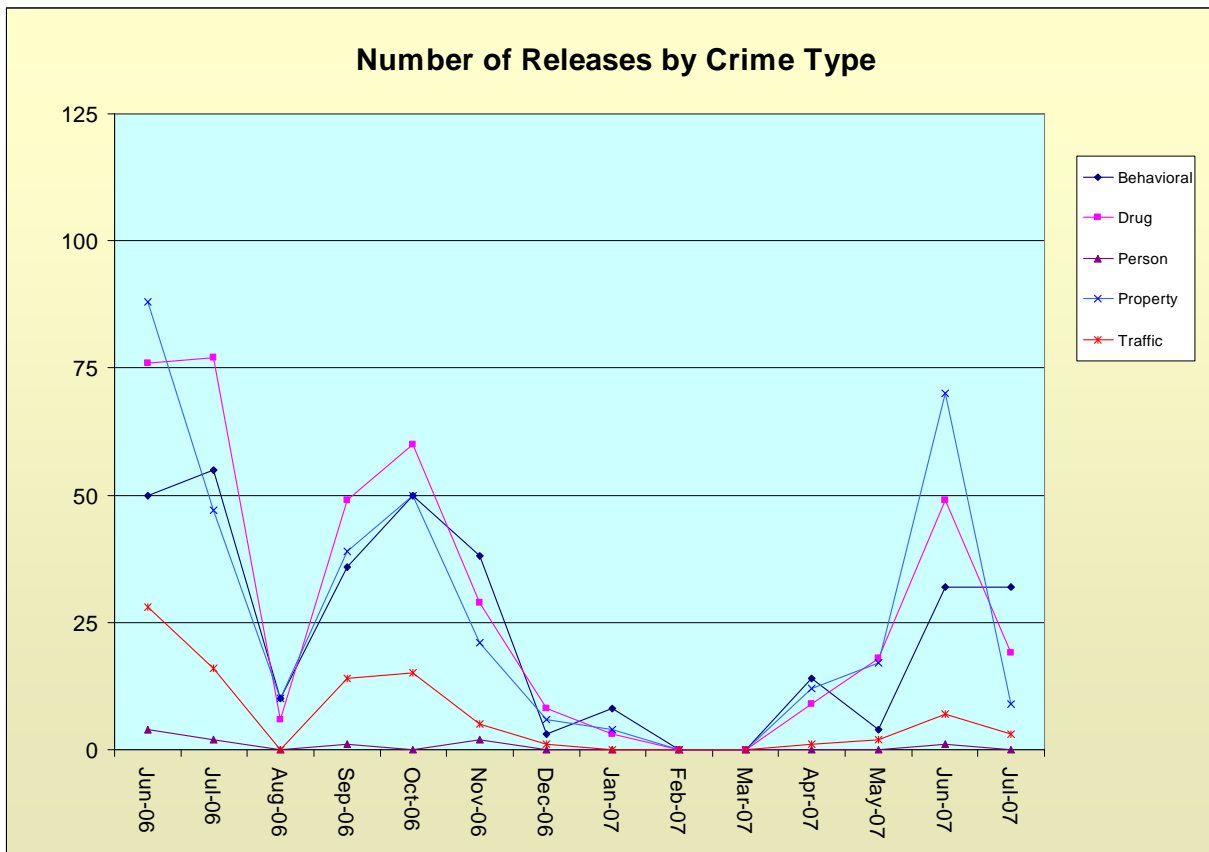

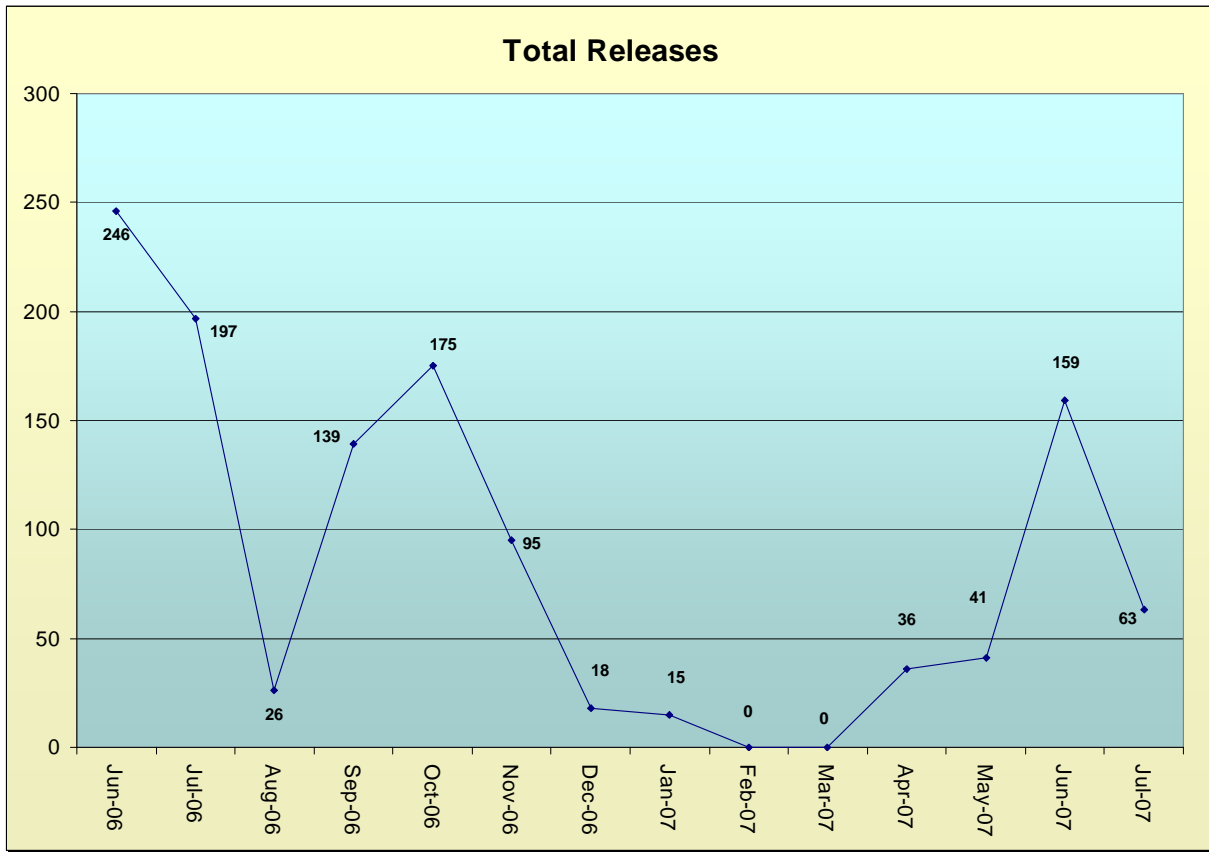

July 2007

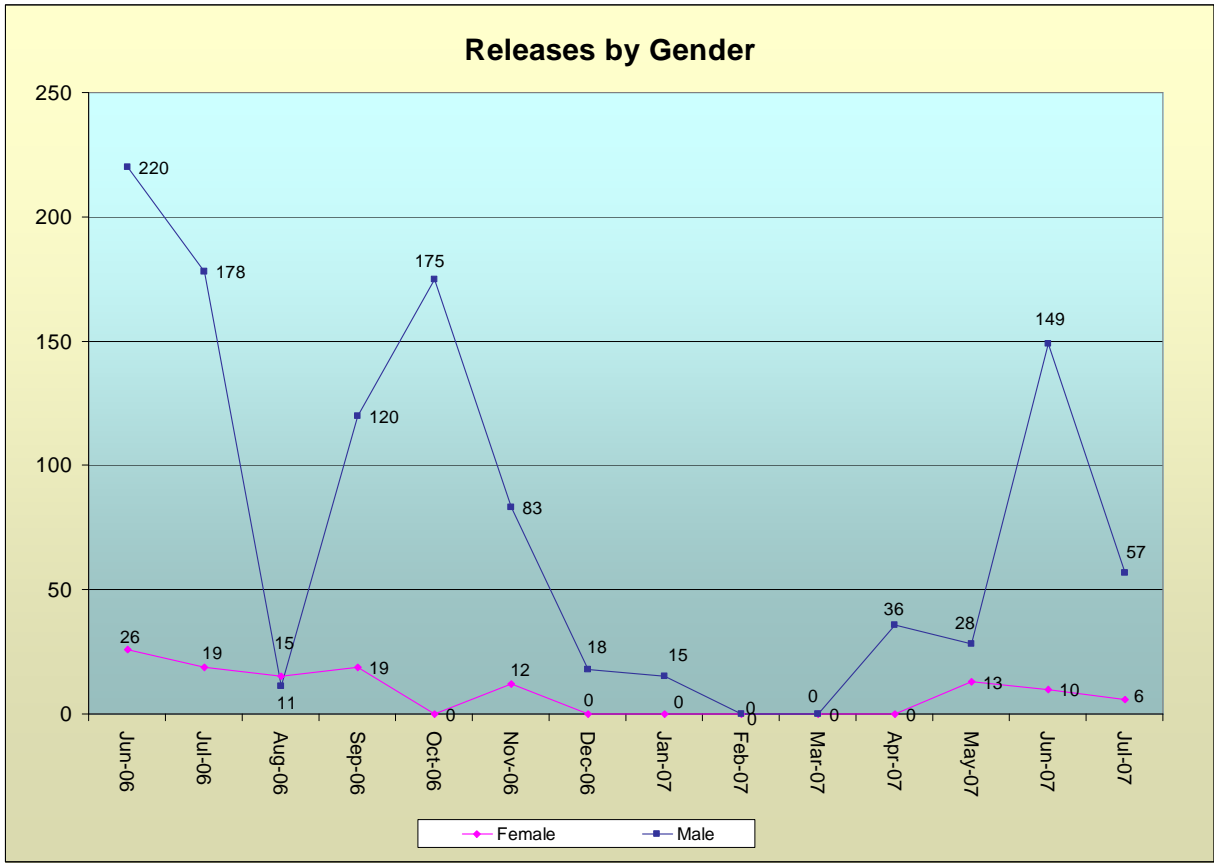

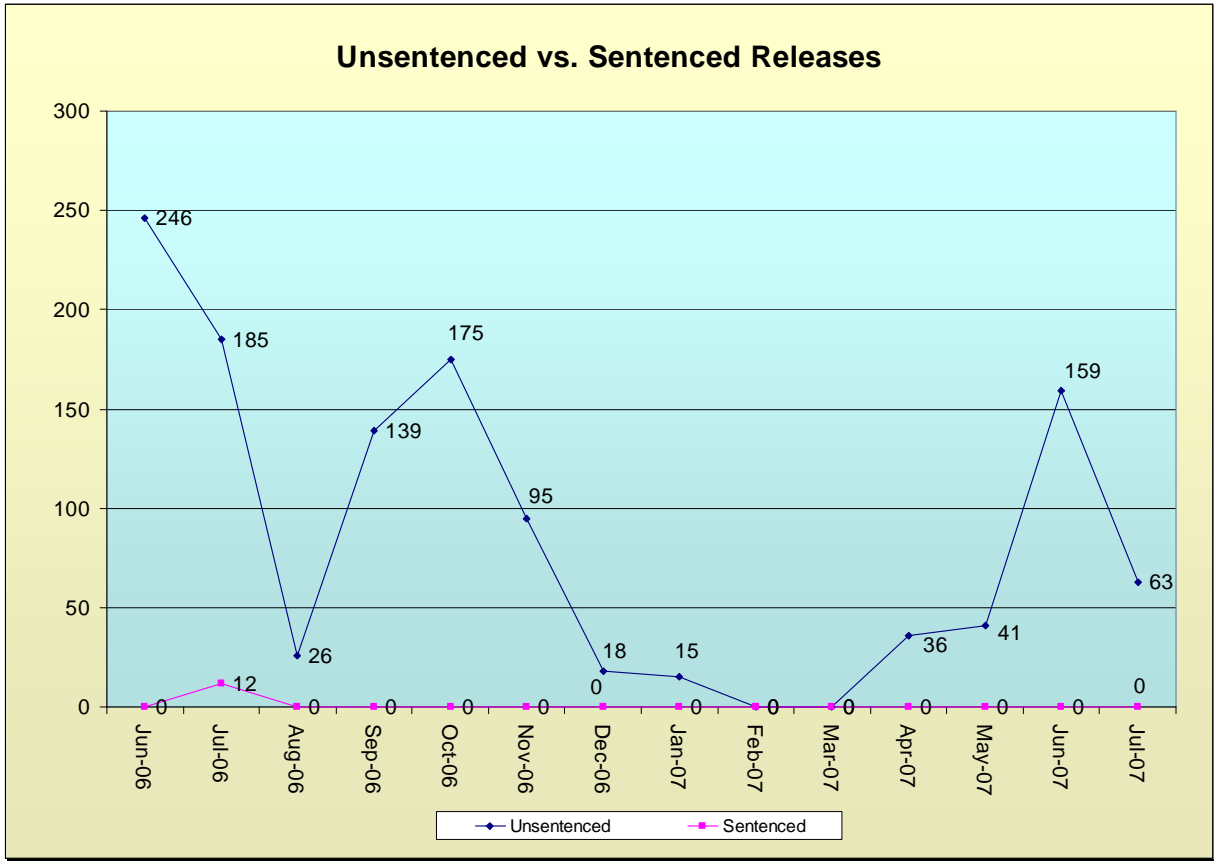

During July, there were 7 days when emergency population releases occurred, totaling 63 early releases. Most of these releases occurred on either a Saturday or a Sunday. This is a significant decline from June when there were 159 early population releases. Retrospectively in July of 2006 a total of 197 individuals were released. Most of the individuals released were booked for either a behavioral or a drug crime. Of those released 57 were unsentenced males; the remaining 6 were unsentenced females. Listed below are the crime descriptions of those released in July and the number of occurrences for each.
