Monthly Emergency Population Release Report

Multnomah County Sheriff's Office - Resource Analysis Unit 7/23/2007

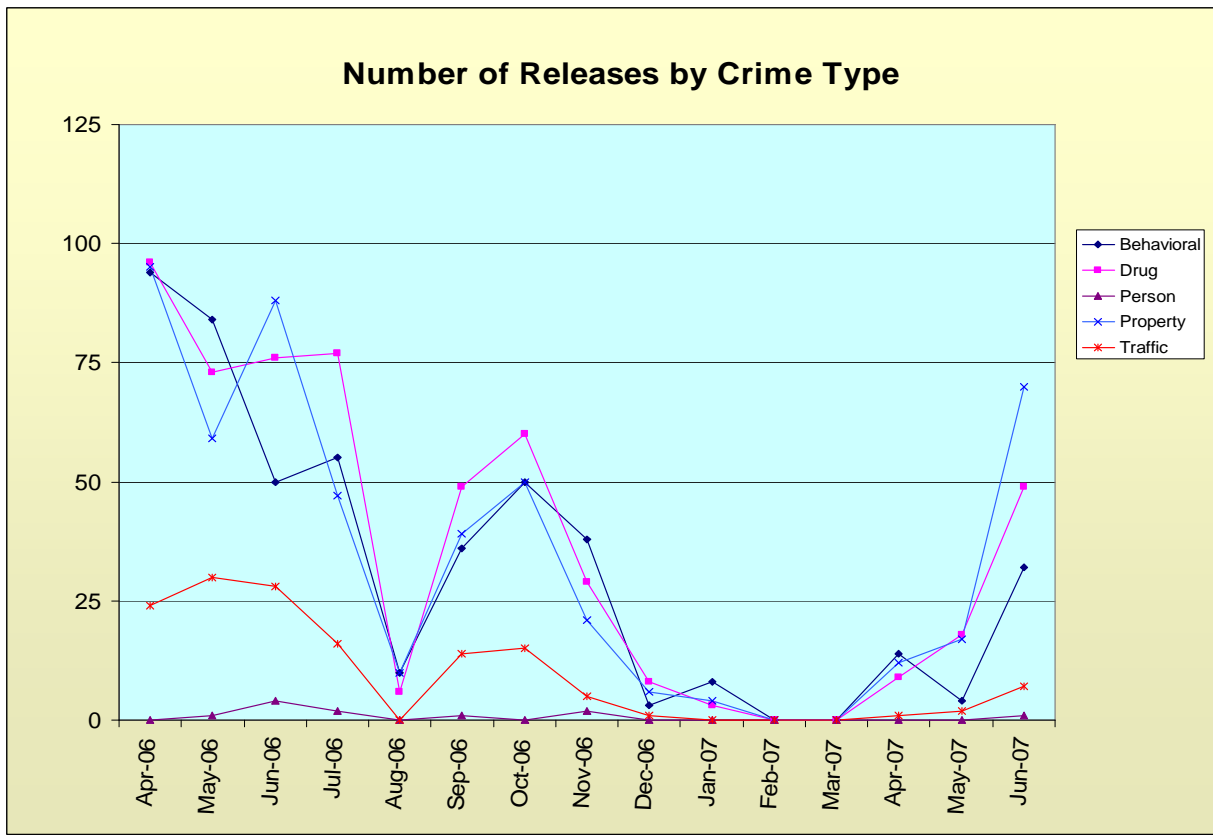

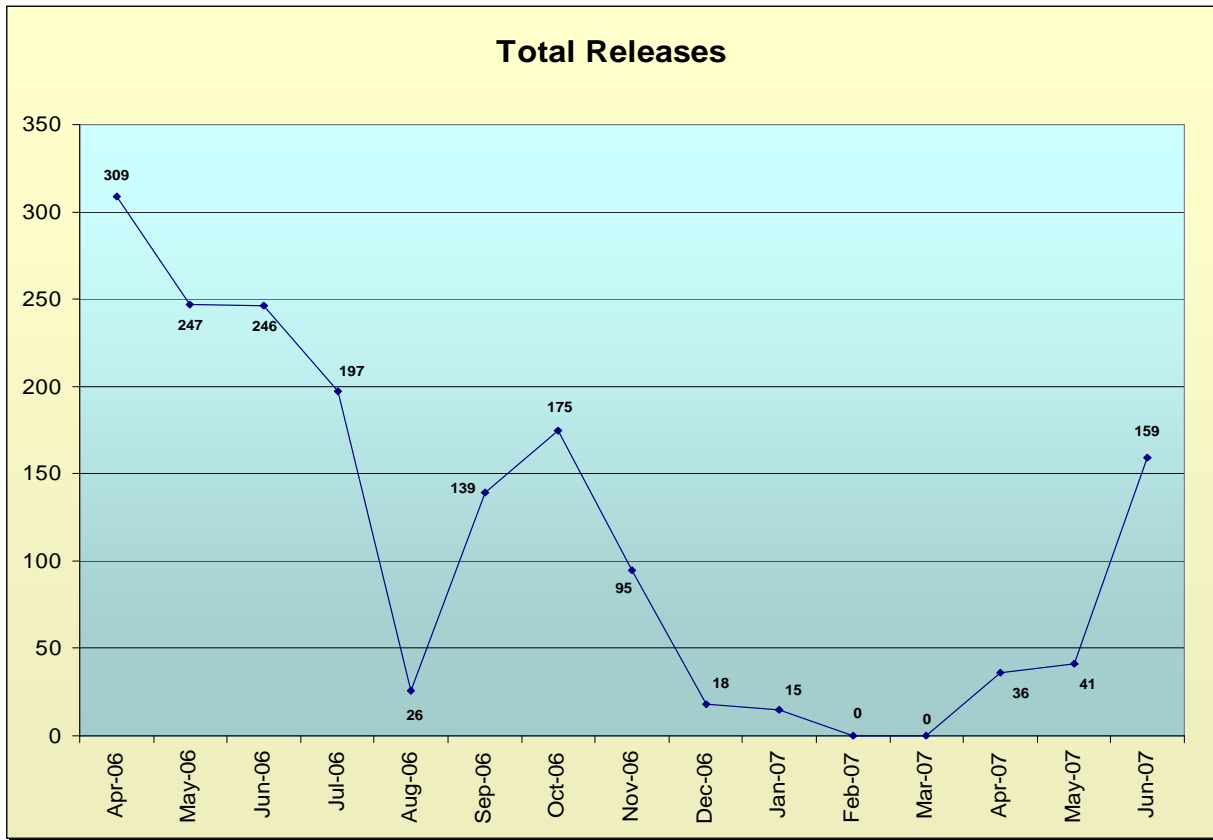

June 2007

During June, there were 11 days when emergency population releases occurred, totaling 159 early releases. Most of these releases occurred on either a Saturday or a Sunday. In recent months there have been significant increases in the total number of individuals released due to over population. In April a total of 36 individuals were released. In May a total of 41 individuals were released. However, releases are significantly lower in June 2007 in comparison to the 246 released in June of 2006. Most of the individuals released were booked for either a property or a drug crime type. Of those released 149 were unsentenced males; the remaining 10 were unsentenced females. Listed below are the crime descriptions of those released in June, and the number of occurrences for each.
