**Monthly Emergency Population Release Report
August 2007**

During August 108 emergency population releases occurred on six days in the month; a 71% increase from July's 63 releases and a 315% increase over a year ago when total releases equaled 26. Of the releases, 100 were males and 8 were females. The high score for emergency population releases during August was 131; this is 13% lower than one year ago when the highest early release score was 149. The average score for August was 56; an increase of 22% from July's average score of 46 and 29% above August 2006's average score of 30. Jail capacity was reduced by 57 beds on July 1st due to budget constraints. Jail capacity for August was 1633 beds. Listed below are the crime descriptions of those released in August, and the number of occurrences for each.
