# Looking Ahead

*Three priorities shaping the year ahead*

01 |

## Drone Technology & Body-Worn Cameras

Adoption of new technology to enhance transparency, public safety, and operational capability. Drones expand situational awareness; body-worn cameras strengthen accountability and document field interactions.

02 |

## Continued Expansion of Public Safety Missions

Building on the proven impact of Enhanced Public Safety Missions, with broader scope and frequency. Continued focus on stolen vehicle recovery, firearms enforcement, and high-impact targeted operations.

03 |

## Troutdale Public Safety Services Contract

Worked with the City of Troutdale to ensure the community's specific needs and priorities around public safety are met. This partnership will continue to be built around shared accountability and with the community's interest put first.
